ESTJ

What are ESTJ's like?

The ESTJ is an organized, honest, traditional, principled and a hard worker. He takes pride in what he does and what he believes in. Being a role model, hard worker and organizer, the ESTJ is a natural-born leader. He has the innate ability to take on difficult challenges and make them look simple and easy. He expects others to do the same. The ESTJ has a hard time dealing with the "new" and the "unconventional". While other personalities accept and tolerate change, the ESTJ would rather live in the familiar.
