INFJ

What are INFJ's like?

INFJs are gentle, caring, complex, and highly intuitive individuals. Artistic and creative, they live in a world of hidden meanings and possibilities. An INFJ has an uncanny insight into people and situations. INFJs can be difficult to understand for others, but they are also genuinely warm and caring with their friends and family. They are concerned with people's feelings and avoid hurting others. They are sensitive to conflict and can develop physical issues when stressed.

The Counselor

Introvert

Quiet, reserved, and self-sufficient. Socializing drains their energy. Comfortable being alone. Processes thoughts internally. Needs time alone to recharge.

iNtuitive

Imaginative, creative, and introspective. Good at analysis of complex topics. Focuses on the future instead of the present. Trusts gut instincts.

Feeling

Uses personal values, feelings and subjective criteria to make decisions. Ruled by the heart, not the head. Diplomatic, tactful and empathetic. Motivated by appreciation and prefers to avoid arguments and conflicts.

Judging

Organized, strategic, and disciplined. Responsible with a strong work ethic. Likes to use checklists and stick to schedules. Likes to be prepared and plan ahead.
