If you wish to study something else, this is up to you as long as you meet the requirements and have the skills, abilities and interest in the career of your choice. Make sure, you do as much research as possible on a specific career. Kindly consult FET Colleges and Universities of Technology for courses related to vocational courses.

This test is only an indicator and is a tool used to give you an idea of your personality traits and related careers. Students are advised to consult with the Institutes Career Counsellors for additional information on career choices and course offerings.

ENTJ

What are ENTJ's like?

ENTJs are natural born leaders and like being in charge. They live in a world of possibilities and they often see challenges and obstacles as great opportunities to push themselves. They seem to have a natural gift for leadership, making decisions, and considering options and ideas quickly yet carefully. They are "take charge" people who do not like to sit still.

The Fieldmarshal

Extravert

Likes to be around people. Active, has high energy. Likes to take initiative. Outgoing and enthusiastic. Talks more than listens.

iNtuitive

Imaginative, creative, and introspective. Good at analysis of complex topics. Focuses on the future instead of the present. Trusts gut instincts.

Thinking

Makes decisions based on logic rather than emotions. Ruled by the head, not the heart. More concerned with facts than protecting people's feelings.

Judging

Organized, strategic, and disciplined. Responsible with a strong work ethic. Likes to use checklists and stick to schedules. Likes to be prepared and plan ahead.

7 Common ENTJ Traits

- 1 Natural born leader and likes being in charge
